GLENN JACKSON ASSUMES ROLE OF VICE-PRESIDENT OF GLOBAL ACCOUNTS AT MOTOMAN

Motoman Inc. is pleased to announce that Glenn Jackson has assumed the role of Vice-President of Global Accounts. In Mr. Jackson's new capacity, he will be responsible for coordinating activities on a global basis with Automotive OEMs and other specific global customers. Mr. Jackson will be located at Motoman's Wixom, Michigan facility.

Mr. Jackson's background includes a Bachelor's of Science degree from Eastern Michigan University, with over twenty-nine years of experience, mostly in robotics automation. His work experience includes the positions of Development Engineer at Ford Motor Company, Process Engineer at General Motors Technical Center, Sr. Advanced Manufacturing Engineer at Northrop Aerospace Corporation, and ascending positions at FANUC Robotics, including Senior Product Engineer, Project Manager, Process Engineering Manager, Director Engineering, and General Manager of the Advanced Systems Group. Since June 2001, Mr. Jackson has served as Vice-President of Motoman's Advanced Systems Group.

Motoman Inc. is a leading manufacturer of robotic solutions, with an installed base of over 22,000 robots in the Americas. Motoman's parent company, Yaskawa Electric Corporation, is the world's largest manufacturer of industrial robots.
