Dear Sir,

The East Liberty, weld department would like to thank you for your support of the TR-42 project. Your participation was vital to the projects success. We recognize the many long hours and late nights spent in preparation for the TR-42 projects. We also recognize the efforts made to expedite the projects due to the short lead-time. We look forward to working together on future projects and we are confident your dedication will again ensure their success. Again, Thank You.

Sincerely,

Hugo Beltran, PEG Leader

Nick Hatzigeorgiou, Zone Leader

Jarom Thomas, Project Leader
